## Even Better Than The Real Thing

Dear Ravers,

I simply must write to you to tell all your readers how I discovered your wonderful girlie mag.

My name is Andrew and I am a 45 year old businessman with wads of money and a passion for pretty 18 year old blonde girls **(you and me both mate, except for the money bit, of course - Ed)**. I find it so easy to pick one up in a pub or club. Plenty of champagne and a bit of smooth talk usually gets their eye lashes flashing and their pussies dripping. Then I offer coffee at my place which is always accepted.

I'll whisk her back to my secret flat and seduce the little tart, after all, I can hardly take her home and introduce her to my wife and daughter, can I?

I love watching how excited they get when they see my lovely eight inch cock curving upwards like a cucumber, staring open-mouthed, almost too scared to touch my love rod. Seeing a cute 18 year old reaching out and curling her fingers around my cock for the first time is bliss. They think they're really sophisticated going out with an older man, but usually I just pump and dump them.

Occasionally, I'll fall in love with one and spoil her rotten with gifts, taking real good care of her until I find another, prettier little blonde to pamper my cock.

Quite simply, I'm a real bastard that loves using girls to satisfy my big, gristly erection and my big, juicy nuts that are so full of sperm that they're the size of tangerines!

Recently, however, I've been so busy with work that I've not been able to go out and pull in weeks. I decided, therefore, to go to a massage parlour and get some pampering.

When I arrived, I was greeted by a blonde slapper with massive titties. She was wearing a tight mini-skirt, black stockings and high heels with a white blouse. Her tits were the biggest I've ever seen, I had to name them! She took me into a room with a shower and a massage couch. "Strip off and take a shower, handsome, then warm yourself up with this," she said, handing me an issue of Ravers! I did as the slapper said and then began to flip through Ravers. My cock hadn't been as hard since I was 18 years old. It was full of blonde tarts behaving like a bunch of sluts!

I especially liked The Bang Gang and five little shavers in Vol 1, No 6. These are without a doubt, my kind of women. I shot hot sperm all over the pages. When the slapper came back in the room to wank me off, I was getting my clothes back on. I gave her 10 quid for inconveniencing her and asked if I could keep the copy of Ravers.

I left with the mag in my briefcase and went to my flat for a wank. This proves Ravers is even better than the real thing.

**Andrew, London.**

Word From The Ed: Now when folk read this, they're going to accuse us of making it up to make the mag sound great. We didn't, but we suspect that Andrew might be being economic with the truth!

## Food Fanatic's Fantasy

It was great to see the Wedding Belles again in Vol 1, No 3 and I loved that raunchy shot of the two luscious models, clad only in gloves, hats stockings and suspender belts sitting with legs wide apart and covered in cream cakes showing off their pussies. Great! Thank you girls.

I also enjoyed the lovely Rachel and Nicki in the centre spread, and when I say spread, I mean cream and food over nipples. Wow, what a turn-on!

I've a fantasy about how I'd like to see Nicki pictured in the magazine. She'd be wearing a pale blue

## Dear Ravers,

I am a man of simple tastes. Not for me the complex sets that hold secret allure for many healthy men. I was wondering if you could feature a naked woman in a chair in a future issue of Ravers as I am an upholsterer and often imagine the women who will sit in the chairs I make. When a woman brings in a chair for me to fix, I wait until she is gone and then put my nose close to the seat, sniffing deeply in the vain hope that I might suck up a stray pubic hair that has slipped from a recently dampened gusset.

lightweight suit, long sleeved silk white blouse, jewellery, full make-up, elegant high heeled shoes and a full set of sexy underwear – black stockings, bra, panties and suspender belt. She'd hold her head back and look bemused at the sign over the archway 'Mucky Maidens Spectacular.' Thinking that mucky meant just plain sexy, she would laugh, push her jacket back off her shoulders, lift up her skirt and pull her knicks to one side to reveal her pubic hair.

Then, on comes another model. Let's call her Susan. She wears a very short black rubber mini-skirt, PVC boots and tight fitting blouse that accentuates the 40" bust. Susan brings in a trolley absolutely laden with creamy flans and pies and trifles. Nicki thinks, "Hey, where are those pies going to end up?" and, guessing that mischief is afoot, quickly dons a plastic mac and puts up a small plastic umbrella. Susan muses on the situation then decides to give Nicki the full treatment. A pie is slopped over her mac before the mac is pulled off.

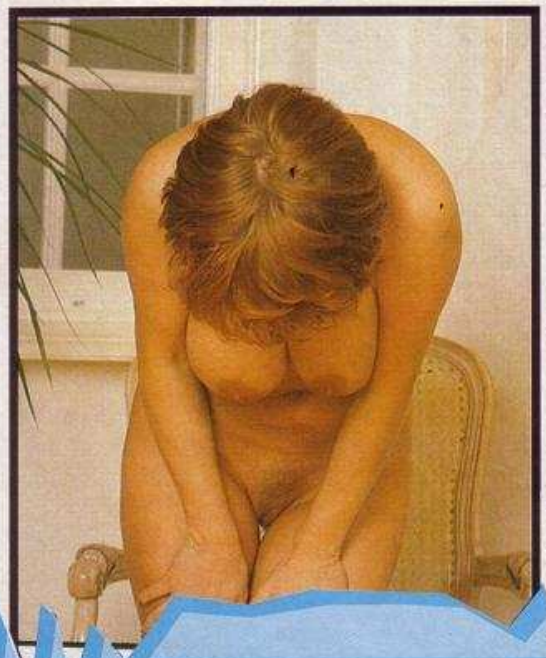

Thereafter, each item of clothing is deliberately and carefully messed up in turn – jacket, skirt, blouse, stockings etc. Nicki willingly submits to the application of pies and really enjoys it. Susan pulls open the front of Nicki's blouse and reveals her gorgeous cleavage. A large flan is slopped all down it. Susan stands back and admires her handiwork, hands on hips. Nicki is laughing with the enjoyment of it all and Su is quite excited. She hoists her own rubber skirt and rubs herself down the front of her knicks to get really turned on.

The fun and games continue. Nicki picks up a jug of warm custard and pours it down the front of Su's blouse. She then bends her over and pulls down her panties to reveal Su's fanny which she liberally smothers with cream. Not to be outdone, Su rips off Nicki's knicks, holds her legs apart and rubs a cream cake into her cunt. A good time is had by both the girls. All the messed up garments remain on view on the set for the entertainment of the readers. A pie splattered jacket hangs from the back of a chair while the thoroughly mucked up skirt and blouse lie among the pies on the trolley and on the floor. The two girls are now dressed only in stockings, suspenders and high heels. It is at this point that they open a cupboard to find masses

## TOP MODEL HURT IN EYES HORROR!

**Tragedy struck again last week at the offices of seemingly cursed glamour photographer Hymie Spunkmann. As long-time friend and model Veronica Blartymuff took a breather between rigorous poses, her eyes popped out of their sockets.**

As Hymie frantically called the emergency services he managed to fill a couple of rolls of film, from which the accompanying picture is taken. "It was just like something out of Ren and Stimpy," was all that a stunned Mr Spunkmann could say when interviewed by our reporter. As Ms Blartymuff was recovering in hospital last night, models from the world of glamour rallied to his aid. "Well, it's a risky business, innit?" said Gemima Nipplegrinder yesterday.

# IT'S ANOTHER RAVERS GIVEAWAY! WIN! SOME BULGIN' BABES!

***Eleonore Urbanski- stacked up German bodybuilder bird!***

Ever since we printed pictures of the bulging, muscular Denise in our sister mag TwoBlue 1-4, we've been receiving letters from readers who want to see a bit more throbbing gristle for their money. Well this might be it. We haven't had a chance to watch the tape yet, but if you like muscular women, you're definitely going to like this tape of Eleonore Urbanski, the German bodybuilder. As well as all the boring stuff about her diet and bodybuilding philosophy, the 60 minute tape also features Eleonore's "raunchy night club act" as well as footage of her posing at FIBO. Whatever that is. And it's all yours for £10.99, courtesy of Quadrant Video. Alternatively, if you're feeling particularly tight-fisted (ooer) at the thought of all that muscular flesh, you could enter our prize draw to win one of the five copies currently adorning the Editor's leather-lined desk drawer. Just send your name and address on a postcard or sealed down envelope to: ***Pectastic Compo, Ravers, Galaxy Publications Ltd., PO Box 312, Witham, Essex CM8 3SZ. The draw closes on September 8th, so get writing!***

of food for the grand finale; chocolate sauce, custard, flour, more cream cakes and trifles slopped everywhere.

But it's not over yet. Nicki suddenly spots a clock on the wall that reminds her that she's going to be late for her next appointment. So, incredibly, she dresses again, carefully donning her messed up clothes. On goes the mucky skirt and blouse, then the ruined jacket. She straightens her hair in the mirror and with a cheery smile bids farewell to the scene. Meanwhile, Susan's busy massaging cream cakes over her cunt and boobs, enjoying the fabulous sensual enjoyment of all the creamy stuff being massaged over her gorgeous figure.

Yes, it's sexy, it's fun, it's raunchy, it's wild and I was so pleased to read that you'll be doing more messy-fun sets in the future. If they enjoy it as much as we readers enjoying wanking over the finished pictures, a good time will be had by all.

## I Have Goose Bumps

On my recent return to England from Germany, I purchased the Ravers Clean Shaven Special. Oh Boy! My pacemaker's gone into overload! I have never seen such a fantastic array of succulent shaven pussy in all my years of shagging.

I have never seen such a mass of well developed pubes, but I feel I have to ask if they are genuine or the latest stick-on accessory for the photos. I must confess that I have never had the good fortune to encounter fannies like those on display. For example, Sally on page 13... there is nothing I wouldn't do to have a close-up view of those fun flaps. Magnificent. And as for Julia and Carol– unbelievable.

Cathy on page 27 has a fantastic pussy, I would love to eat it slowly. I can only imagine what it would be like to give Claudia on page 33 a slow pussy lick, followed by a long wank over her. The sensation of Vicky sat on my face would make me very happy and as for Ann, well let's just say that having been in close contact with her pussy I would be more than happy to die, content in the knowledge that I had experienced the ultimate in pussy pleasure.

# The Bang Gang

# Fruit Cock'n'Tail

You want food? We got food. The only trouble here is that if you fancy a bite, then I'm afraid you'll have to eat it from the naked bodies of Georgette, Debbie and Jo. This, of course, will involve you approaching them and trying to hide the bulging erection that looms like a magical staff in the tightness of your trousers. Imagine the horror when, just as you begin to make polite conversation, your whole body is thrown backwards by an earth-shattering surge of spunk. Frantically, you undo the fly on your trousers and pull down your scanties, and lo, the beast is free.

The throbbing, pulsating, glowing member erupts in a volcanic display of precision shooting and as convulsions rack your body you gaze through the blurred mists of passion to see a geyser of scrote-jam launched skywards, and probably visible from the Mir space station. You can't stop and, as you lapse into unconsciousness, you realise that you are going to ejaculate your entire body through your bell end. All this for some fruit? Stick to yoghurt mate, it's safer.

# BEAUTY AND THE BUTT

**If you know your dirty movies, then you'll know Nina Hartley's arse. Along with her pouting lips and stunning pussy, Nina has shagged her way through some of the hottest blue movies of the last 10 years. Because the Ed still suffers from premature ejaculation, we sent LINZI DREW out to meet naughty Nina...**

Since quitting nursing for a career in the porn industry in 1985, Nina Hartley has blazed her way through over 300 films, and she can still suck and fuck with the best. During her illustrious sexual career, she has collected a clutch of awards including 'Best Actress' in 1986 for one of her famous **'Debbie Duz'** roles and was inducted into the adult Industry's hall of fame. Although she is now still greedily getting her rocks off in front of the camera, she has recently turned her considerable talents to directing. The sexy blonde grew up in the swinging 70s in San Fransisco and possesses what surely must be the most impressive, rounded, butt in the business.

Nina started making movies in order to fulfil her sexual fantasies and, since her screen debut in **'Educating Nina'**, she hasn't looked back; although when that awesome arse of hers fills the screen, it seems that her fans have trouble concentrating on anything aside from her captivating rear end! Which is a shame, because naughty but nice Nina looks just as mouth-watering from the front, believe me! In the midst of a noisy porno party in a hotel suite in Caesar's Palace, Las Vegas, Nina Hartley generously offered to let me interview her about her life, her lusts, living in a menage-a-trois and, of course, her beautiful botty!

**How did you make the move from nursing to porno movie making?**

*"I wanted to fulfil some of my fantasies. I discovered that I had a fantasy to be*

*an exhibitionist and I wanted to be with other women. So I started working as a nude dancer in a club in San Fransisco. The club was very special and you could have live lesbian sex on stage. Hard-core penetration with strap on dildoes. It was a wonderful way to turn my fantasies into real life experiences."*

**Was working as a sexual entertainer something you always wanted?**

*" Yes most definitely. I read 'The Happy Hooker' and loved it, but early on I realised that I didn't have the stomach for clandestine illegal activities, so I went into making movies and that was like fulfiling a life-long fantasy of mine. I have a very supportive family and we talked about it and decided that a career in adult movies would be a wonderful outlet for me."*

**When you talk about your family, you mean your husband and girlfriend, Bobby?**

*"That's it. My husband and I have been together fourteen years and we've lived in a menage-a-trois for 12 years."*

**How did you all come together – if you'll pardon the pun?**

*"Bobby and my husband were dating. They've known each other 22 years now. Then I met my husband and we just fell in love and got married. We all stayed very good friends and a couple of years later, Bobby moved in with us; we've been together ever since."*

**Tell me about your first film...**

*"Well, my family and I talked about it for a while, almost a year in fact, and I almost didn't do it. Then we found a woman who was making her first movie. A ex-actress called Juliet Anderson. She did a lot of the 'Swedish Erotica' films in the late seventies, early eighties. Anyhow she turned producer and put me in her movie 'Educating Nina' and it turned out to be a wonderful experience for me."*

**How did you feel having sex on camera for the first time?**

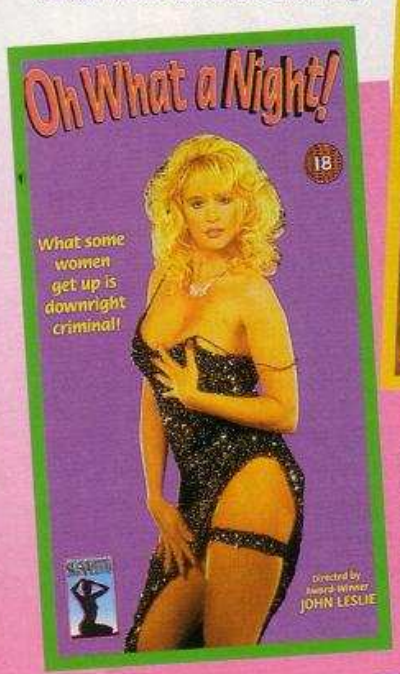

*"I was very excited. Of course, I'd been having sex on stage at the club and doing just about everything but real dicks! But it was like fulfiling this lifelong ambition."*

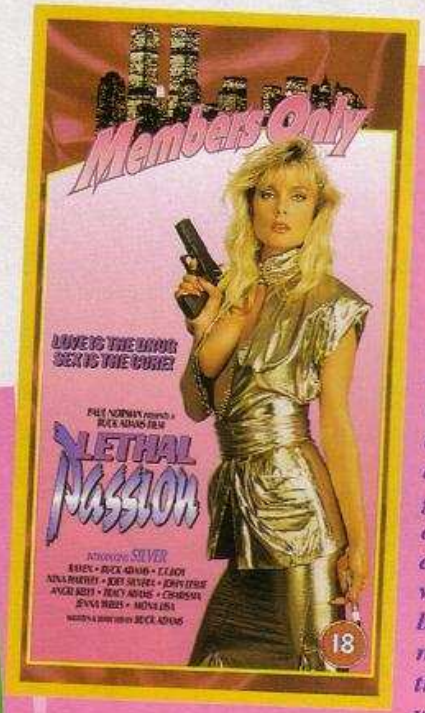

**Did it make you more comfortable with your sexuality?**

*"Yes. Before the business my social skills were clumsy and my sexual skills were limited. Having sex with lots of different people in lots of different circumstances made me feel comfortable. I consider myself very comfortable with sex. I'm bisexual, an exhibitionist, and I grew up in a time and place where I had no religious guilt about sex. As long as everything is consensual and everyone is over 18, then there's no sin, no badness, no dirty! For me, sex isn't dirty. I may do things that other people consider dirty, but I don't feel dirty. What I like about porno is that it's a very selective group of people. You know, it's like a big club. A large family. And I love the atmosphere, I love what I do. The porno business has allowed me to get my hands on lots of bodies in lots of ways. A lot of people think about sex a lot but they don't have the sex life they want, and I'm very fortunate in that I have the sex life I want. I have my heart taken care of at home. I have a husband and girlfriend I love very much and they love me back, so all the rest is fun!"*

**How do they feel about your other sex life?**

*"They're swingers and we live in an open relationship. Actually, for my first 150 movies my husband was on set all the time and it made it better for me. I liked knowing he was there to look out for me, protect me and watch!"*

**Have you ever felt in danger on a set?**

*"Never. I was 23 when I started, so I knew I could always say no. I didn't present myself in a way that was going to get me taken advantage of. I have been taken advantage of in other ways because I have no business sense, but I've never been on set and thought anything bad was going to happen to me, though I have had bad days at work just like everybody else!"*

**Do your parents approve of what you do?**

*"My brother won't speak*

*to me because he doesn't like it. My parents would prefer me to do something else, but they're not disowning me."*

**What's your biggest turn-on for the camera?**

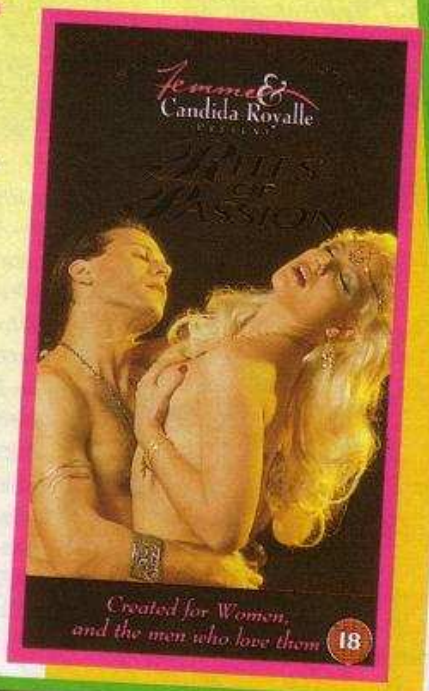

*"I like group scenes and in my group scenes I like the women to outnumber the men by one or two. I love girl-girl scenes because I'm the aggressor and I love being with a really responsive woman who is submissive enough to be done. With women I like to be the doer! With men for good fucking I like missionary and doggy; on my side, on my tummy and doggy proper. If the guy's really big, I'll get on top."*

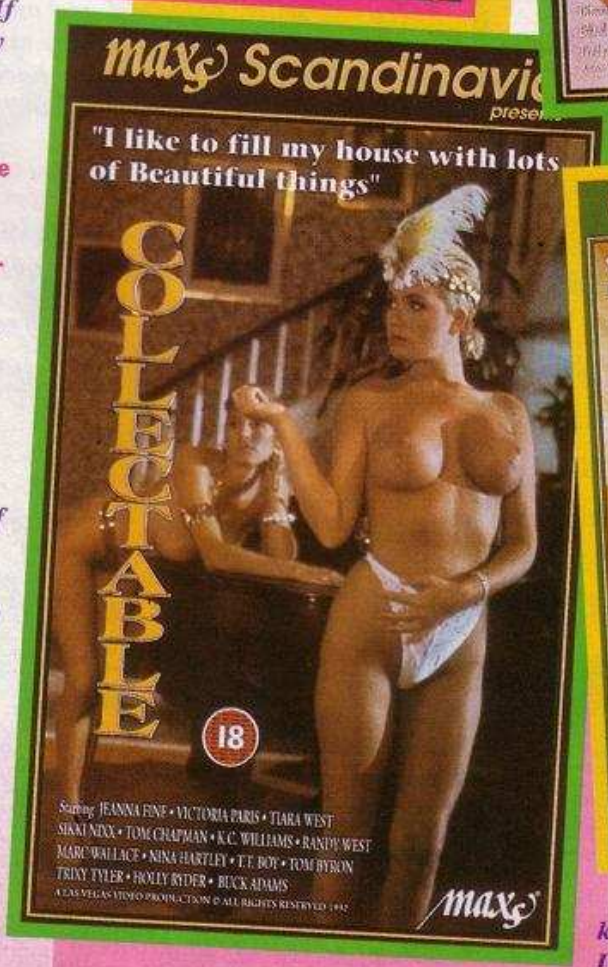

**Can you come while you're fucking for the camera or are there too many distractions?**

*"I come whenever I want to. Most directors are smart. When the sex is going on they stay out of the way. As professionals you don't need to be told to look at the camera or take your hair from your face. In the beginning you do, but these days I know where the camera is and work to it. They can basically just wind us up and let us go!"*

**What's your most memorable sex scene?**

*"Anything with a strap-on dildo! I'm very wicked with my strap-on. I get turned on by women who like to get fucked. I'm like a guy that way I guess. With a woman I'm very strong and forceful. Give me a strap-on and see me go!"*

**I suppose with your famous bum, most directors choose to go for the 'money shot' on your arse?**

*"Guys often come over my butt, but sometimes over my tits and my pussy. I like facial come shots too, just as long as I don't get it in my eyes."*

**Do you think your awesome arse has helped your career?**

*"Certainly and it happened instantly! You know, sometimes I think I'm something of genetic freak because it is so unusual for a caucasian women to have a butt like mine. The rest of my body isn't that great. I go to the gym everyday and I'm quite proud of it, but having this butt is what kept me in the business. It made me special and stand out. There's a song called 'You have to have a gimmick' and my gimmick is my butt!"*

**Is there anything you don't like to do for the camera?**

*"I do boys, I do girls, I do toys, but I don't do much a**l because it's hard to find a dick small enough! I like licking it and small things in there, but a penis?! I don't say never, but I'm not an a**l girl. I don't do much bondage or fetish either because I'm just beginning to get into that in my private life and until I get more comfortable with it, I don't want to take pictures of it."*

**You've only just started directing and already you've had a nomination for an award!**

*"Yes I've directed four films now and I enjoyed it very much. I have a little bit of the bossy girl in me. I'm very happy to be appearing in movies but I look forward to directing more. The movie that was nominated at the Adult Video Awards was 'Nina Hartley's Guide To Better Fellatio And Cunnilingus'. I wanted to make this movie because I'm a nurse and sex education is a lifelong passion of mine. I keep thinking if I get people to understand what it is that they're doing then they'll be okay about it and enjoy themselves. You know, get rid of the guilt, get rid of the dirty. Then we can all have a lot more fun!"*

# Rave On!

gave me goose bumps, as such an array of bum flaps should. Then I almost had a heart attack when I saw Karen, April and Linda but the owner of the pussy in the top left-hand corner of page 104 is the luckiest woman alive. I could get my head into that and not surface for 24 hours. The guy who dates her is a lucky bastard: she has a great set of flaps.

I know I've ranted and raved over the pics, but that's because, in all my years of screwing pussy, I have never had the good fortune to find one endowed with fun flaps, not even little ones. So it's still my burning ambition to meet someone with a pussy that doesn't resemble a slightly bulging hatchet cut.

## Reunion Rumpy Pumpy

I had been invited to a local authority reunion for retired former employees at a swanky, plush hotel, about 10 miles from home. The invitation for my husband and I said that it would end at 1am, so there were no buses home. We decided to take a room in the hotel for the night, so that the evening wouldn't be spoilt.

I bought a new dress so that we could dance, or at least go through the motions as my husband has been known to possess three left feet at times!

We arrived at 6:30, booked in at reception, and went to our room. There was a mini bar and the room was luxury itself. As I put my new dress on the bed, I hoped that the open slit at the front wouldn't be too outrageous for the do. Then we went down to reception to

The marvels of computer effects continue to progress at an alarming rate. The set you see spread across the next few pages was re-created in the studio at vast expense. The sky was added using state-of-the-art Silicon Graphics high end workstations and, when it was discovered on the day of the shoot that the model was held up in traffic, the art editor kindly donned wig and panties to act as a substitute. Quite frankly, it was a tough job, taking three months of painstaking work to make him look like Chrissy, but we reckon you'd be hard pressed to notice the difference.

council offices: if half of it were true, the man should be lying worn out in a wheelchair. "It's great to see you again," I said. "Well, I see that your old man has gone to the bar, why don't we get a drink as well?" Without waiting for a reply, he gently but firmly took my arm and guided me to a table on the far side of the room. We sat and chatted, sipping our way through several Southern Comforts. He told me that his wife had been killed in a car accident some years ago, I remembered reading about it at the time. Since then he had lived alone, almost a hermit. As we talked, a passing man brushed against him, causing Julian to spill his drink all over his trousers. We mopped up the mess, but the drink still left a stain. I found all this funny, but Julian took this seriously. He was on the point of going home when I made a suggestion. Why not go up to my room, where we could dry the trousers properly, and there was a trouser press too. I said to Julian, "They are all enjoying themselves, no-one will notice we've gone, come on."

greet all the old friends that I hadn't seen since leaving. My husband found an office colleague he hadn't seen for donkeys years and I suddenly found myself alone as they went to trawl through memory lane and down a few beers.

"Still as lovely as ever, I see." A voice made me turn. It was Julian, my old boss, whispering in my ear. I had always fancied him, but as a newly married, respectable woman, I couldn't let him go any further than a Christmas kiss in front of many witnesses. His reputation was well reported throughout the

# The RAVERS Guide To Beach Babe-ery!

**It's that time of year again: the babes are waist deep on the beaches near you (okay, so maybe they're not at Clacton and stuff), the stench of suntan lotion is thick in the air and there's a world shortage of bikini thongs. So how do you get an eyeful without getting your nads stamped on? Well, you could either become a 'tittiratzi' photographer like Gordon Rondelle or alternatively, you could follow this simple guide!**

### 1. Be Prepared

**You never know when you'll spot some tot, so a good camera and an even better cover story is a priority. The professional long distance perv (aka Gimp) will have a birdwatching hide, camouflage, top quality SLR camera, zoom lens and inflatable family should they be needed. What you'll need is a good auto focus zoom camera (if it can go as high as 130, then that's great), a deck chair and windbreak, plus some blankets, towels and spare deck chairs will make it look like your family have just gone off for ice cream.**

### 2. Fanny Alert!

**You've seen the best pair of knockers this side of Pamela Anderson's bathing suit, and it's game on! Grab your camera and slowly pan it towards the totty, pretending you haven't got a clue how to use it, but snapping away till your hard-on's content!**

### 3. The Girl Next Door

**If you happen to be sitting there and a cluster-fuck of young stunners pitch their blankets next to you, don't be shy! Pick up your manual and examine it carefully, looking completely confused. Then pick up the camera and curse that you can't get it working, snapping away all the while.**

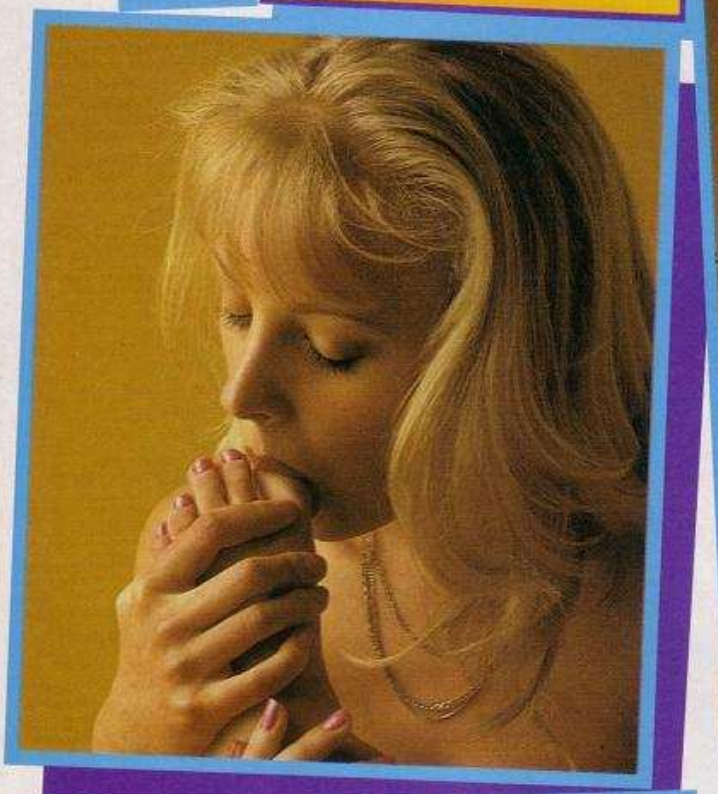

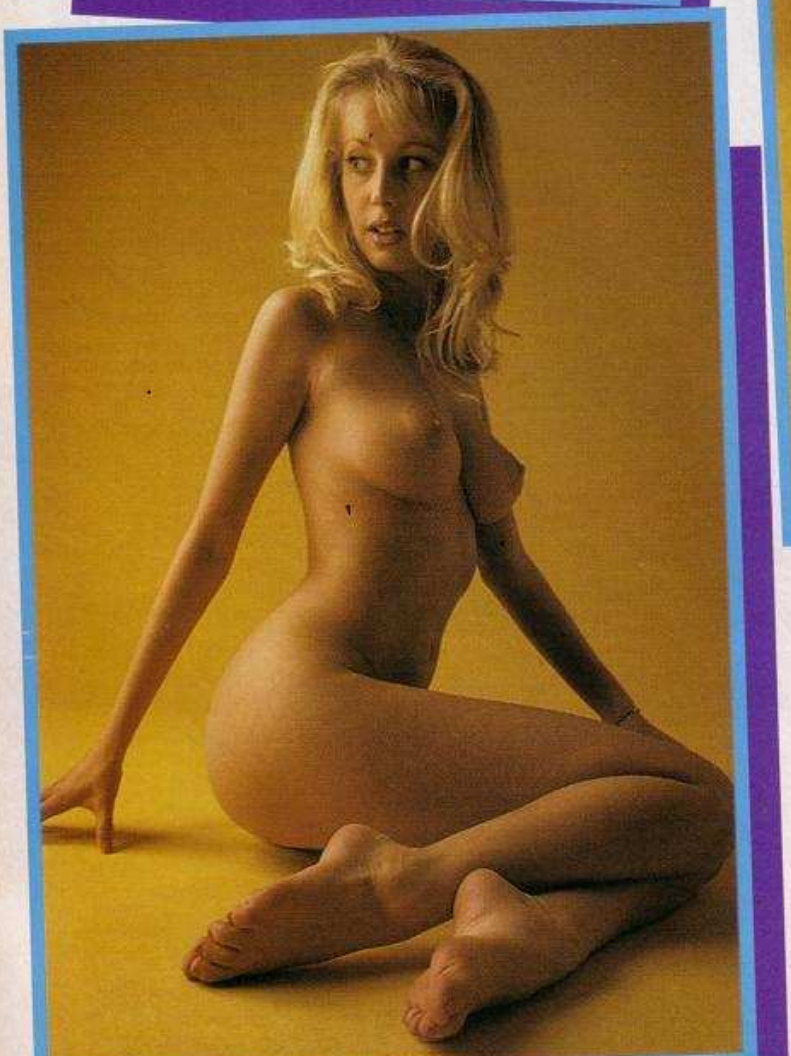

### 4. Act Like A Professional

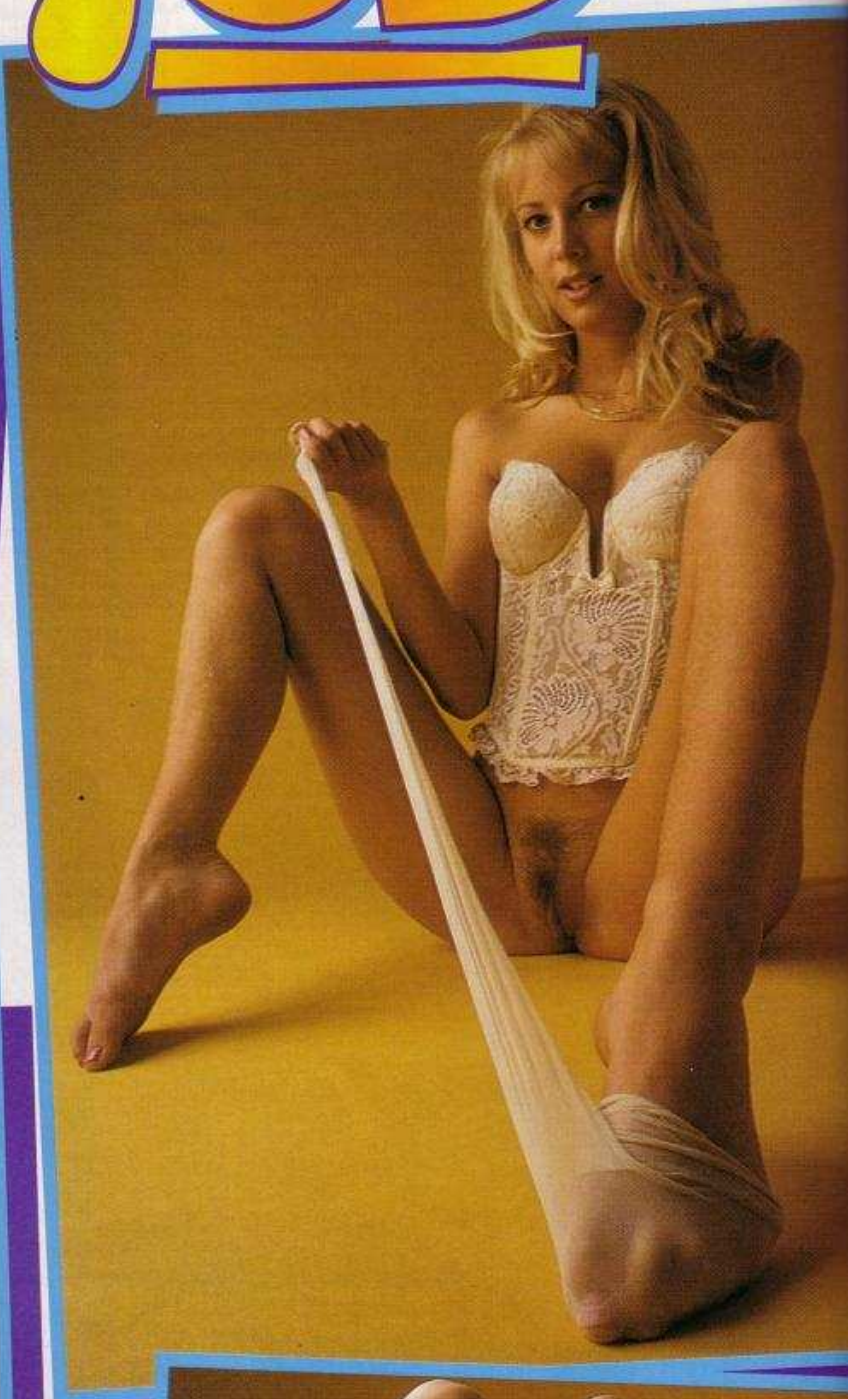

**Pros like Gordon Rondelle have balls of steel, and will take pictures of anything in a bikini or out of it. Of course, Gordon would tell you that he does it because it earns him a living from the photos he sells, but that doesn't explain why the Ed's desk drawer is full of dubious 'holiday snaps' which don't look anything like his relatives...**

# RAVERS GUIDE TO FLASHING

# Louise

You are walking around Amsterdam one day, feeling tired and alone. A strange city, with new customs and ways alien to your own. As you pass over a canal on a worn footbridge you spy a far from unattractive young lady in a coat and little pink dress flash her cunny at a guy with a camera.

Your curiosity spiked, you decide to inspect the scene more closely. It is what you had suspected, a young lady whopping 'em out for a cameraman. Though alone, you are no longer lonely. Your life now has purpose. Whop it out, my man, and pull as you have never pulled before. Pull, pull, pull 'til you spunk. Oh yeah, you might well think that's bollocks, but believe it or not, while John was shooting this set, some bloke did exactly that: stopped about 30 feet away and in broad daylight, whipped out his cock and started slamming away! That's the God's honest truth! We reckon he'd had one cup too many in one of those, um, Amsterdam 'coffee bars'!

Having seen the stunningly sultry Sammy getting her paps all muddy last issue, we reckoned you'd like the chance to see her wash it off this issue. I'm sure you'll agree that she scrubs up pretty well and manages to get clean all over, despite the fact that the entire editorial team at Ravers was gathered just out of shot filling fire buckets with the: "Sweet juice of love," as Barry White might say.

# Rave On!

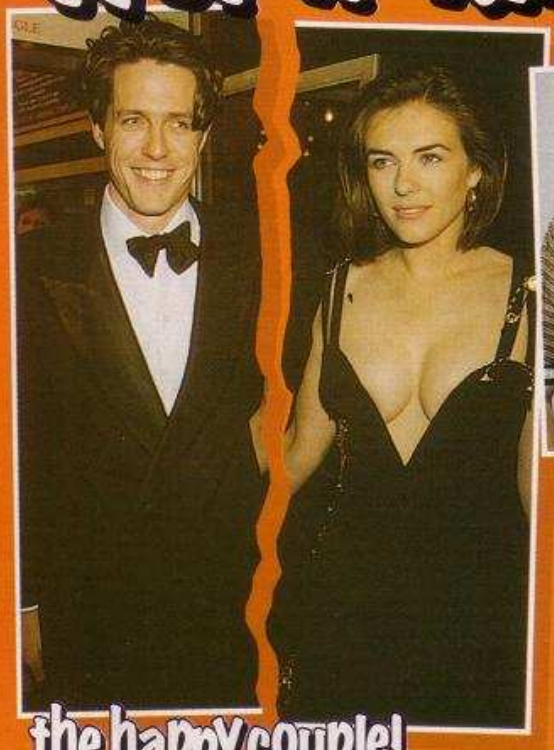

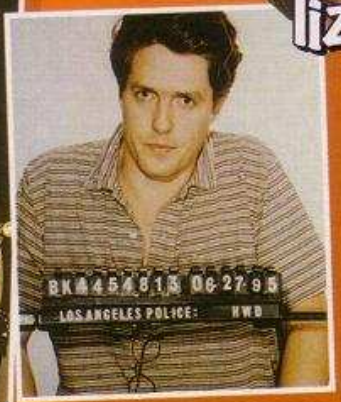

Once in the room I gave him my husband's dressing gown and set about rectifying the damage. A few drinks from the mini bar kept me lubricated as I busied away. The trouser press finished its job and I called to Julian, who had been watching football on the television, to take his trousers out. I passed him my glass and was about to ask him for another when he kissed me on the back of the neck, "You little tease," he said, "but then, you always were."

Julian started to get bolder, dipping an arm under mine and cupping my left breast. I know I should have stopped him there and then, but I couldn't. I leaned back into him as he found my nipple and rolled it between thumb and finger. I felt excited in a way I hadn't known for years. Sensing no resistance, Julian unzipped my dress all the way down to the cheeks of my bum. Pressing against him I felt his manhood already hard, already waiting to explode. As I felt him my hand was easing up and down the shaft, stroking firmly. I decided that if my hand relief was not enough to bring him off, then I would suck him. I always feel powerful when I'm doing either to a man. We kissed longingly, deeply and all my good intentions were forgotten as he eased my dress off the shoulders and unfastened the belt, letting the dress fall to my ankles. He lay on the bed and I took off my bra and panties. Julian stopped me there, insisting that I keep on my suspenders and stockings. He was naked at my side and the longer we kissed the more he played with my cherry. I was soaking by now, and as I lay there waiting for him I moaned,

***Do you...***
a) Take the money and run.

"Fuck me now, I can't wait." Ever so gently he entered me, slowly moving in and out, working his cock inside me, pausing as he went from in and out to round and round. I was in heaven, I came and came, I can't remember how many times. Finally, Julian yelled, "I'm coming!" and filled me up with his spunk. It was hot and mixed with my own juices, bringing me once more to a climax. We lay together, exhausted, on the bed. Panic set in as I realised where we were and what we were doing. We should have been downstairs, all the townhall would be looking for us by now. Dressing quickly, we rushed downstairs. We had been well over an hour. As soon as we sat down once more, Malcolm returned with his mate. "Sorry I was gone so long," he said, "but at least you had Julian to keep you company." We said our goodbyes at the end of the evening, Julian was very sheepish but I hope we meet next year.

I would love to join The Bang Gang and get messy with the five sexy, horny ladies. I would love to give Andi a good going over and a good time, she's cute.

# The RAVERS Guide To Photography!!!

## Helping you improve your hand shandy shots

**Sooner or later, you'll want to take a piccie of your missus or girlfriend (or someone else's) in the altogether. But it's not as easy as it looks and, thanks to top snapper Betty Swallocks, we've put together this short list of tips. Follow them, and you could end up on the pages of Ravers!**

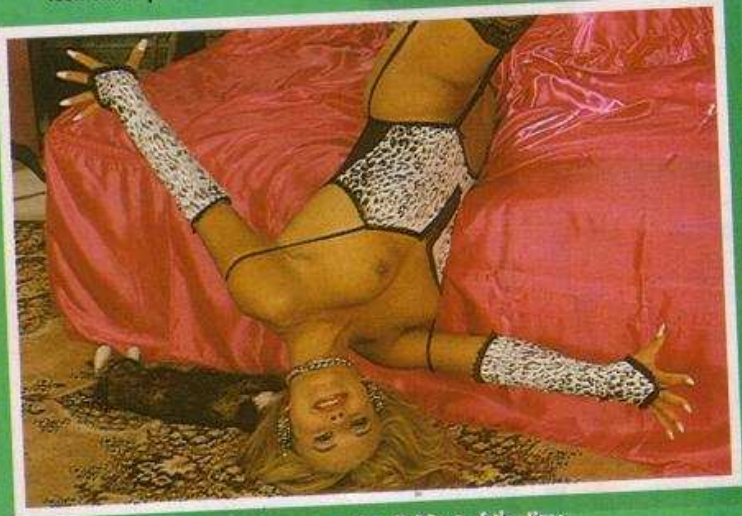

Always make sure that you're in the right place to take the shot.

If you're doing a sexy, pouting shot, make sure the model is wearing her false teeth.

Never drop a large stone onto a model's foot. Unless you think it'll be a laugh.

Unusual poses work well. Most of the time.

## Toe Freak

Dear Sir,
I bought two issues of Ravers the other day and, having not heard of you before, was very pleasantly surprised. I was pleased to see that you had given over two pages to my favourite subject, bare feet. Well done, too few magazines on girls feature this part of the body. I could not help noticing that you had been bombarded with requests for more feet. This set me thinking that a lot of these guys and girls had not heard of Footsy. It is Britain's one and only magazine devoted entirely to the female foot. I have been a member of this foot club for about two years now. To join the club or get the magazine, you just need to write to this address, **FLAS, P.O. Box 867, Stanford-Le-Hope, Essex, SS17 7JJ.**
I also notice that you asked for ideas for the models to do. Here are mine. How about models with long toe nails, polished or unpolished, wearing black footless fishnet stockings or legwarmers.

Dear John,
We've got Lesley in at last and it's important that you follow my instructions to the letter. Get her to strip off and then as many shots of her in the tank as possible. It is extremely important that you refrain from telling her that the tank is filled with spunk. It took the Editors weeks to get the buckets filled and the last thing we want is for Lesley to realise what it is that she's smearing all over her fanny and tits. She'd kill us all. Mind you, what else could I do? Those are the best pair of flesh boulders I've seen in yonks, and there's no way she'd let me nestle my head between them and go: "Flubbalubbalub." If it goes to court, I'll plead sexual frustration.

# Rave On!

turned us on, but lately we seem to discuss it more and more. The thought of my lovely wife being fucked by a complete stranger was really turning me on. So, one night when we were having a really good fucking session, the topic came up once more. I told my wife that the next time she went out with her mates, she should go for it. A few days later, Sue announced she was going out with a few friends and would be late home. When she dressed, she wore a tight figure-hugging bodysuit and loose fitting trousers with no underwear. Her nipples stuck out through the thin material of her top. She was well turned out and looked very sexy. She told me not to wait up as she would be late. She kissed me, and went off with her mates.

I decided to wait up for her,

and she finally arrived home at around two in the morning, a little drunk, but in a very good mood. She began stripping right there in the front room, telling me to fuck her. I noticed that her bodysuit was undone as she pulled down her trousers. I dropped to my knees and was about to lick her out when I stopped in my tracks. My wife had clearly been fucked by someone else. She was so wet that the juices were dripping out of her cunt, and she had hickies on and around her hole. I could now smell the scent of sex mixed with the odour of condoms. When she saw the look on my face, she started to giggle and said, "You wanted me to fuck a stranger." That was enough for me, I fucked her right there on the living room carpet. I was like a man possessed. I fucked her with such ferocity that it was over within a matter of minutes.

She told me that a young lad of about 18 had chatted her up in the pub and he'd taken her back to his flat, which was nearby. Once at his place he had wasted no time in stripping my wife and carrying her into his bedroom. There, he fucked her in every position and several times in her favourite position, doggy style. They used over half a dozen condoms during their session. She said that she had sucked him off twice; once on the way to his, and a second time later on. Both times he had filled her mouth with gallons of spunk. Sue was amazed at his staying power and the sheer size of his cock. She described it as very thick and long. She loved the way it filled her. She said that she had enjoyed it so much that she would love to do it again, and she was so pleased that it had turned me on. We followed this little chat with a long, slow fuck,

## Hairy Helga Heads for the Hills!

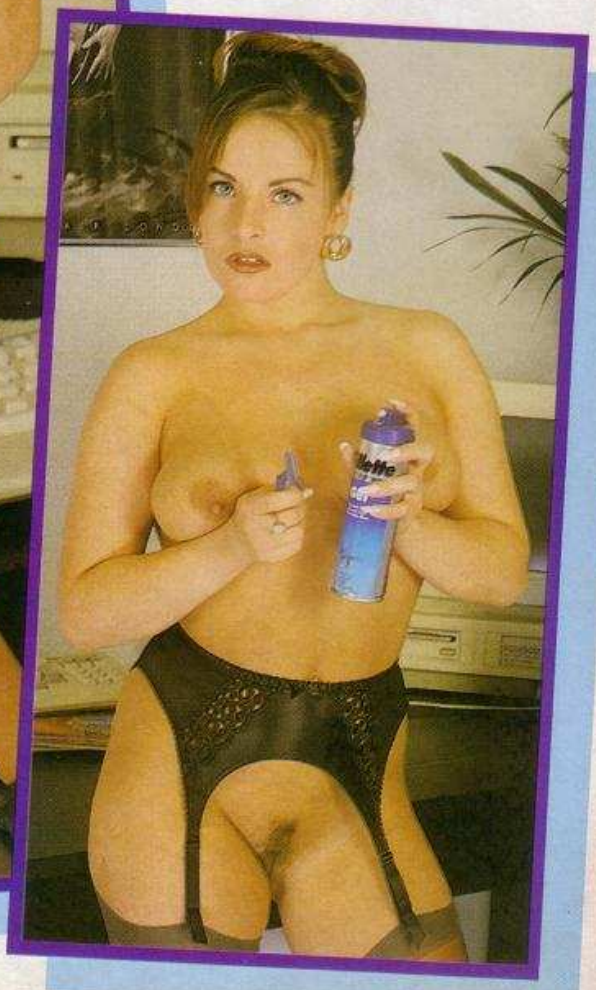

For what may be the last time, feast your eyes on Helga Hodensacke, a German beauty with a gift that sets her apart from all other models. Helga, as you can probably tell, has in her possession the hairiest fanny recorded. Weighing in at about 25lbs, Helga's amazing bush has won international acclaim, despite the disappearance of male model Mutt Sjörnchuff during a boy-girl shoot, officially described as 'missing in action' by Helga. The only problem she has encountered during her career is the hair itself. As she says, "Obviously, the hair is my major asset, so I grow it as long as possible. This in itself is a problem, due to the fact that its immense weight makes movement difficult." Rumour has it that Helga only intends to model for a couple more years before shaving off her mammoth minge and moving into direction. We hope to bring you details of that set as it appears...

A model, a razor and some foam. So simple and yet so right. Lorraine worked away in the studio, slowly trimming away her lovely bush, viewed only by the photographer and the Editor. He returned to the office about an hour later, looking rather disturbed and holding aloft a hair strewn razor. "Perk of the job," he cried, as he held it close to his breast and sighed, "boys, hold the presses we got a hot one."

# DEAR DELILAH

***Got a spunky secret to share with other readers? Then send a hot, sticky letter to me, Delilah, and tell me all about it. I'm 36 years old and a 36DD cup. I've been around and I'm unshockable. At least I think I am. Why not try me? I can't promise not to answer back, though. Think of me as your own personal sex therapist and get those letters - and yourself - coming. Send your horny reads to: Dear Delilah, Ravers, Galaxy Publications Ltd., PO Box 312, Witham, Essex CM8 3SZ.***

## Dear Delilah,

Why is it that pubes, chest hair etc., always stops growing when they reach a certain length, whereas the hair on your head gets longer and longer?
**JON, LEEDS.**

***Can you imagine pubic ponytails? Dreadlocked chestwigs? Underarm pigtails? Imagine how our clothing, especially our underwear, would have to be redesigned to cope with it. It's probably something to do with the follicles on your bollocks, Jon. Nature, thank heavens, provided us with a mane but no tail, and short fur to prevent chafing in other areas.***

## Dear Delilah

I have this fetish about men's bums. there's nothing I like better than to follow a

strange man up an escalator or a staircase, with my nose level with his arse ***(Not shortly after he's eaten boiled eggs for breakfast, I hope!)*** and my hands itching to grab a handful of buttock. I wish there was some way women could screw men with the man on hands and knees, so I could feel his bum rubbing up and down against me. When I'm in bed with a man, I like to extend foreplay by licking, tickling and massaging his buttocks. They are a complete erogenous zone. But tell me, Delilah, how can I restrain my hands from groping some stranger's arse? I know that I'm not going to be able to resist one day, and I'm scared I'll end up getting arrested!

***CAROL, CROYDON.***

***You're not alone with your bum fetish. That's how John Lennon met Yoko Ono, remember? She had an exhibition of her photographs of men's arses, which John went along to, and subsequently the naked Lennon arse (and dangly bits) appeared on an album cover. Lots of women photographers and artists really get off on portraying men's posterior globes. The curves are really quite sensual and then, if you're in the right position, there's just a hint of tackle showing beneath the buttocks. I think you should let your feelings rip and grab a bum, just to see what will happen. Ten to one, the man will find it an incredible turn-on to be groped by an attractive, sexy woman and won't even dream of complaining! Try it and see how long it takes him to get an erection, then let me know and I'll have a go too. My fingers, like yours, have often itched when placed in close proximity to a nice, taut young male backside clad in tight blue jeans!***

## Dear Delilah

Last Tuesday I was visiting an elderly aunt in hospital when I fell heavily in lust,

not with a nurse, and God knows they're sexy enough, but with an actual patient, a woman who was lying in the bed next to my aunt. She was all alone, lying peacefully with her eyes closed ***(I hope she wasn't dead!)***. She was in her late thirties or early forties and had long, thick chestnut hair which cascaded down the pillow and I could just make out the mounds of her sizeable breasts under the bedclothes. I immediately got this fantasy and I could feel my cock getting hard. I stopped listening to my aunt whittering on about operations as I imagined sneaking into the ward in the dead of night and slipping under the covers next to this woman. I imagined that she had been lying in a coma and that the touch of my hands running sensually over her body would bring her round. As I gently stroked her soft body she stirred from her slumbers and looked me in the eyes, "It's been so long," she said, "make love to me." I saw myself diving to the bottom of the bed and getting my head between her thighs. My tongue would find her clit and a shiver would ripple through her as I began to tongue her to orgasm. As she came, she would start moaning in pleasure and that would be my cue to slip my erect cock gently inside her wet cunt and begin to fuck her slowly, gently, each stroke bringing her back to the world of the living with more and more vigour. As she reached her climax I would hold her gently and then slowly get up and leave, without even telling her my name. I would never see her again, but she would know that some kind stranger had brought her from beyond the walls of sleep and back to reality with a gift of love.

***KEN, BRISTOL.***

***Well, Ken, You can sneak into my bed and wake me up that way any time. It sounds like bliss! I don't somehow think they'll start prescribing your***

***com(e)a cure on the NHS, though!***

## Dear Delilah

The ratio of women to men where I work is about eight to one. In warm weather, this means hours of torture for highly sexed guys such as myself, as we're forced to smell the torrid wafts arising from their armpits, breasts and crotches. We catch glimpses of knicker revealed by brief mini-skirts, and nipples visible through thin blouses. I frequently have to depart for the gents and wank myself off in order to be able to concentrate on my work, and I know I'm not the only one.

The other day I had Shelley, a part-timer, working at the desk next to mine. Shelley is a big, bouncy lass with huge breasts and a large, grabbable arse. She's very outspoken and is always telling dirty jokes. "Bleedin' 'ell, it's hot," she complained, "I can feel my bra and knickers getting all sweaty. I think I'll have to take them off."

"Need a hand – or two?" I joked.

Shelley went out of the room and when she came back I looked closely and yes, she had definitely removed her bra as her tits were swinging lower and I could see the heavy globes in all their glory, revealed by her white blouse which was slightly see-through. The dark rings of her aureolae were clearly visible, but her nipples weren't erect. My cock was, though. I was dying to know if Shelley was now pressing a naked pussy into the material of her chair.

I've never been a seat-sniffer before, but I was now. When Shelley went to lunch, I pretended to have dropped a pen and went down on the floor, getting my nose into Shelley's seat and found a definite whiff of pussy there. ***(Whiskas and flea powder? Some men have strange tastes!)*** Oh bliss! When she came back, I repeated the pen trick just as she was about to sit down, and got a definite flash of dark, thick pubes as she sat down. I continued to grope about under the desk. Shelley had her thighs pressed together, but then she slowly opened them and I had a view of paradise in the shape of Shelley's gorgeous bush and open cunt flaps which revealed that she was slick and glistening; well ready to be fucked.

My cock was almost bursting out of my trousers and I could hardly breathe, I was so excited. Shelley noticed the state of my cock as I tried to arrange myself comfortably in my chair.

"Oh my, you need a fuck really badly, don't you?" she whispered, "I feel horny, too. How about lunchtime?"

There was a stockroom on our floor and I had the key. I led her into it and closed the door. Shelley leant back against the shelves and pulled up her skirt, revealing that wonderful, thick-furred mound. I dropped to my knees among the cardboard boxes and began to tongue her. She clutched my head and shuddered as I brought her off almost immediately.

"Fuck me, Kev, fuck me, I'm dying for it," she moaned.

First, though, I wanted to get to know those glorious boobs. I grabbed them and kneaded them, sucking her nipples to hardness through her blouse, then placing my hand on her cunt and feeling its slippery, pungent wetness. My cock found its own way in. I just released it and let go. Soon we were bucking and jiggling together until I felt myself about to squirt. I went to withdraw but Shelley

grabbed my arse and forced me to remain inside her, where I filled her up with spurt after spurt of spunk. Then I had to sit beside her for the rest of the day, knowing that my spunk was gradually leaking out of her well fucked fanny.
***ANON.***

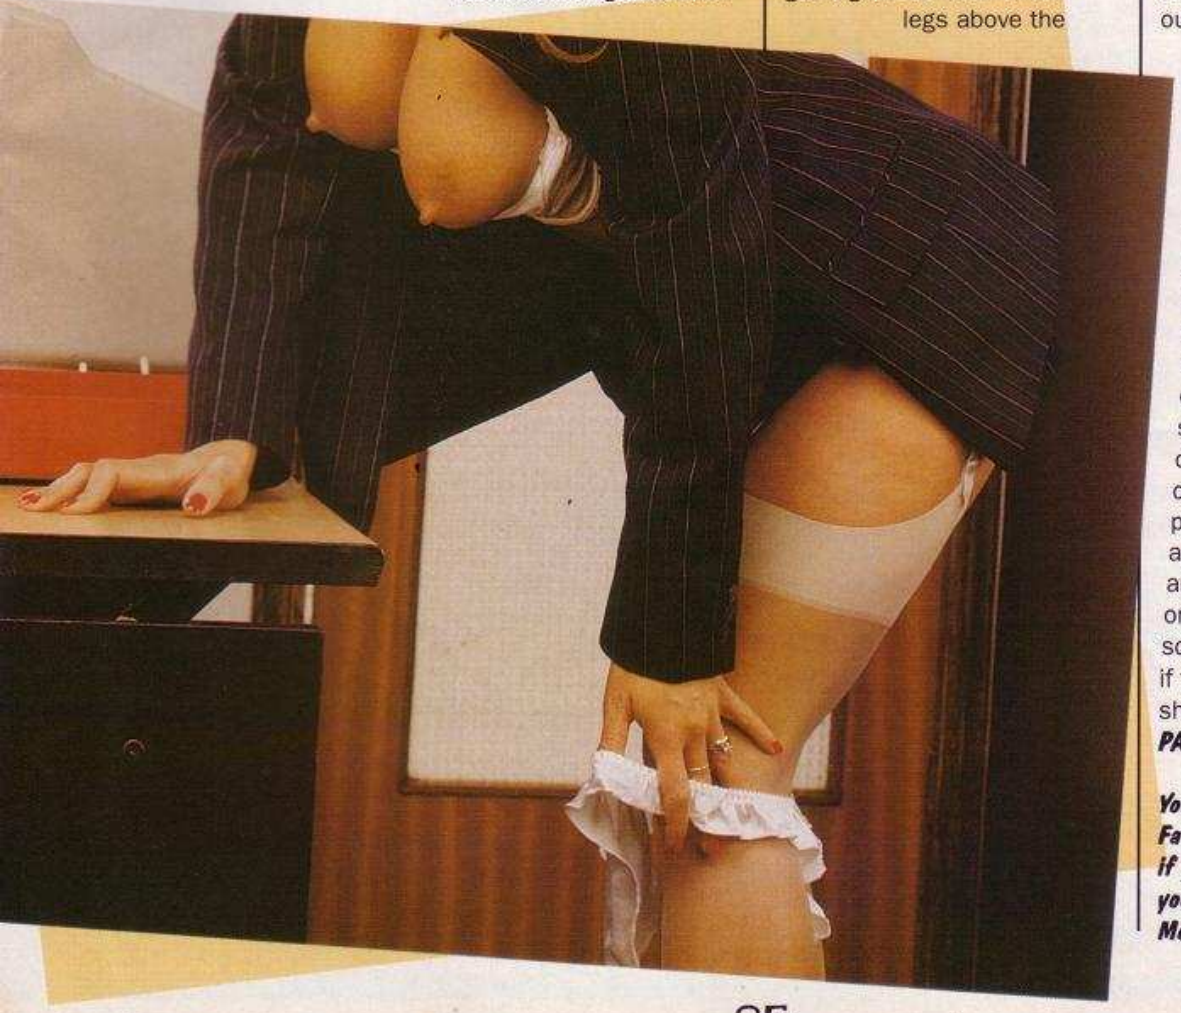

***This reminds me of my own stockroom story. It happened when I was 19 and had a job in a department store. I was on swimwear and I had the hots for this guy in Menswear. One day I managed to get him alone in the stockroom, on the pretext of needing some help in opening some boxes of bikinis. I ended up on my back in a pile of navy blue bikinis, being shagged rigid by Dave from Menswear. I wasn't on the pill and so I made him pull out, by which time I'd been well splattered with come several times, those bikinis were in a bit of a state. Customers must have wondered where the white polka dots went to when they washed them.***

## Dear Delilah

I'd like to know how many cocks you've had up you over the years. ***(Not all that many years, do you mind?)*** Do you keep count? I'm fifty-three and I reckon I must have had more than 600 women since I lost my virginity at age seventeen. I only wish I'd kept a diary because I've forgotten a lot of names and faces along the way. ***(But do you remember the fannies, though?)*** I was lying awake the other night, trying to decide which of them was the best fuck ***(And having a good wank, too, I wouldn't be surprised!)*** In the end, I decided it was a little Korean nurse I shagged in 1975. She was very tiny and skinny, with narrow hips, a small waist and a surprising amount of silky pubic hair. Her tits were like little firm apples and her nipples were chocolate brown and permanently hard.

I met her in a pub but when I asked her out, I asked if she would wear her uniform for me. She came round to my place in a white uniform with a thermometer peeping out of the top pocket – and of course, suspenders and black stockings with sensible shoes. I soon had her bent over the bottom of the bed so that I could get a glorious view of her legs above the stocking tops. I was rubbing the end of my cock against that silky flesh, tracing the outline of her stockings and panty elastic, when suddenly she turned round, grabbed me and pulled me on top of her, winding her legs around my neck. It was a great surprise to find her so eager. She had the tightest cunt I'd ever known and so much muscle control that she could have milked a cow with her cunt. She had soon squeezed all the spunk out of me, but had insisted on carrying on in a variety of positions until I was hard again – and again. Sex was an art form to her. She's the only oriental girl I've ever screwed and I often wonder if they are all as talented as she was?
***PAUL, COLCHESTER.***

***You'll have to take a trip to the Far East and find out, Bob. Or, if you can't afford that, see if you can pick up a Pussy Chow Mein at your local takeaway.***

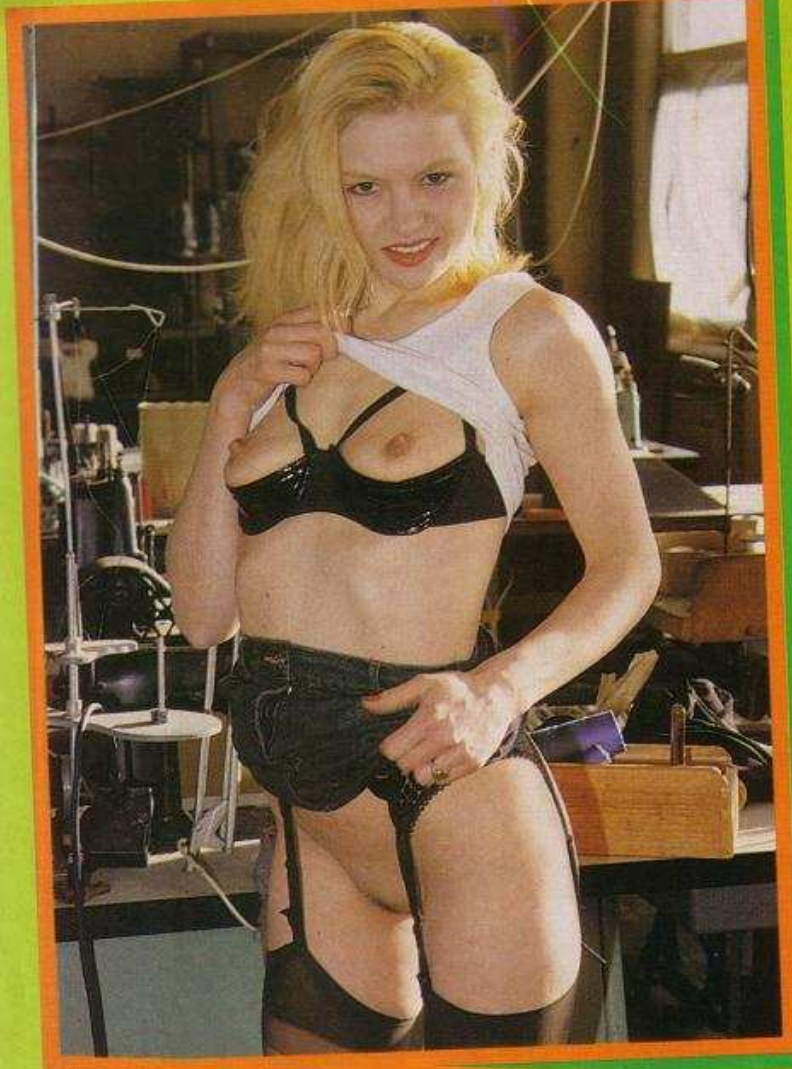

# Marina

Having knobbed her way to the top in a record-breaking 'Bonkathon' (as seen in our sister mag Two Blue), Marina was back on the case in Bude, North Cornwall recently. Quite frankly, the blokes at the Devonna Clothes Co-Operative couldn't believe their eyes when she walked in and stripped off. Floor Manager, Tyler Wonnacott had set up his workmates, but even he was surprised when we turned up. "Bugger!" was about all he could muster. You will note, of course, how the guy in the checked shirt – identified by his mates as Gareth – is looking every which way but the one he wants to. Gareth, a keen surfer, is currently receiving medication for high blood pressure and devilishly stained trousers.

An arse, a bed, a woman. Shambling like a demon from a story by H.P. Lovecraft the Editorial Assistant for Fiesta limps into the studio and gazes longingly at Mel. Then, having sung a tune from a recent Andrew Lloyd Webber musical starring Micheal Crawford, he crawls back to the office where he laughs maniacally while studying, one-handed, the photographs of her that appear here. "One day," he whispers slowly, "she will be mine." We swear on Mel's buttocks, we have no idea what he means.

# Rave On!

collapsing into sleep at daylight.

Sue goes out with her friends again in a few weeks time, another girl's night out. She has my permission to do it again. This time she may try for a three-some.

**Bob and Sue, Norfolk.**

## Pronounced: "La-Bee-Ya"

Dear Ravers,

In Vol 1, No 4 of Ravers, a letter on page nine from Matt and Jane from London asked to see more pictures of a girl in Vol 1, No 2 with a very pronounced labia.

This is something I enjoy myself, and would like to see more pictures of the model on page 33, middle picture, sitting on a chair with her legs wide open and her completely shaved cunt. I have seen her in other mags and she always keeps it this way. She has a very pronounced labia, which looks absolutely gorgeous, and always gives me a great fucking hard-on.

She really has an unusual cunt, which I always enjoy seeing.

Hoping you can oblige.

**William, Essex.**
